KidzArt is a **fun**, unique and confidence-building art experience. Our drawing curriculum is an incredible tool for delivering an ongoing, highly engaging and educationally rich creative experience that amazes and delights students. Consistent participation in our classes calls on your child to **solve problems**, follow through, and think imaginatively. We promote **confidence** in our students' self-expression by emphasizing the process, rather than the result!

*Schools and teachers will assist students in reporting to the designated KidzArt room directly after release. We are unable to go look for a child in after care during class. After class we will escort students to their after care program. Please meet your child in the front hallway promptly after class.

SPRECIAL INSTRUCTIONS

- **Do not** return form or payment to your child's school or teacher.
- **A note must be written to your child's teacher EVERY KidzArt day.**
